

CAN YOU HEAR

You are more beautiful than the stars
They light Your sky and shine their praise for You
Your glory fills the universe
That You shaped with Your own hands

Can You hear?
Can You hear?
Can You hear?
Creation sings Your praise

The oceans roar displays Your might
A million times it cries the holiness of its maker
The endless sky contains
What You shaped with Your own hands

From Your church
A sound is rising up
Now with one voice
We cry Holy

So now we stand before the King
And ask Your grace to overflow
Allow our hands and feet to be used at Your command

Can You hear?
Can You hear?
Can You hear?
An anthem of Your praise
An anthem to Your name

From Your church
A sound is rising up
Now with one voice
We cry Holy
