

## **MIGHTY GOD**

Mighty God, faithful to all  
Your love it reaches to the heavens and more  
Faithful God, at Your command  
The oceans cry out and the mountains will stand  
The mountains will stand

Glorious, righteous and true  
Robed in glory all my praises to You  
King above all nations and powers  
The earth will tremble at Your triumphant hour  
Your triumphant hour

Great and mighty are You God  
Ruler of the earth  
Keeper of my soul  
All creation shows Your power  
Your beauty is displayed  
You are mighty God

Let creation cry out  
Let Your people declare  
We worship You mighty God
