

## **ONLY BY GRACE**

I love You more than I can say  
More and more with every day  
I worship You and You alone  
For You are my God

I trust You with all my heart and  
I love You with all my soul  
I worship You and You alone  
For You are my God  
You are our great God

We will sing Your praises  
We will worship Your holy name  
For Your love has released my heart  
And it's only by the grace of our God  
It's only by the grace of our great God

Grace is all around me  
Love is all over me  
The Saviours love has found me  
It's only by the grace of our God
