

SURRENDER

Everything that was
Is in Your hands
And all that is to come
I give to You
Take control

This life belongs to You
Forgive me Lord
For walking my own road
Take control
Jesus take control

Your kingdom come
Your will be done
Now and forever

I surrender
I surrender
I surrender
To You
To You

That I may hear Your voice
That I may know Your heart
That I would see Your world
Through the eyes of hope
This my prayer oh God
This my prayer
